

# MONKEY TOWN™

By DR. KRINKLES

Welcome to Monkey Town , a place much like your home town. Only filled with Monkeys, Mayham and misadventures! Things would be nice n smooth here if it weren't for a couple of Grumpy Monkeys who enjoy stomping on the fun. But no matter what kind of misery is brought upon Monkey Town, Egoo finds a way to make the best of it. he's a leader that gets no credit because everyone thinks he's just monkeying around all the time . The thing is, Egoo knows that if you don't enjoy life to the fullest , you forget the how fun it can be.

## Good Monkeys

Egoo

Egoo is the silliest monkey of them all  
he loves pulling pranks and seeks strange adventures  
his best friends are Skeebo & Popotto  
Egoo is upbeat and doesn't anything upset him  
he finds ways to have fun where most would quit and cry  
his philosophy is to play more and maybe work later.

Chef Chew

Chef Chew owns the local Pizza shop, where the Monkeys love to hangout.  
He has Skeebo to make deliveries for him, but doesn't like the fact that Egoo usually ends up going with him which means the pizza arrives cold.  
Chef Chew is afraid of Kromp since he was bullied by him as a kid  
Now he pays off Wizzle so that he can run his pizza business without much worry  
his #1 customer is Egoo, but still he is annoyed by him.

Skeebo

Skeebo is a hipster and is always trying to impress Princess Prolly.  
Usually he ends up getting hurt , but still it never has him stopping  
For her attention. He's laid back and likes his job as a delivery boy for Chef Chew.

Princess Prolly

She's a sweet princess that is in charge of Monkey Town  
her father was king but quit so he could sleep more hours.  
She thinks that Egoo is the funniest Monkey, but would like him more if he would be productive. little does she know how much he contributes in his own way.  
Prolly's wand has powers which can stop the evil Wizzle and Kromp

Popotto

Popotto is the fastest Boxer of all time , he punches so quick that flames come from his gloves. Most of his time is spent training for the next match , but whenever he can help out his friends he does just that. He's always waiting to be the champ and hopes to one day get in the ring with Kromp.  
somehow Wizzle stole the champion belt and gave it to Kromp.  
Popotto knows he can win as long as he gets his chance!

## Bad Monkeys

Wizzle and Kromp are the worst monkeys of them all  
Lil Wizzle dislikes just about everything in Monkey Town  
each day he thinks up new ways to ruin it, especially anything that has to do with Egoo. He even uses Kromp for his power and strength, Kromp enjoys being bad  
he just always had but he isn't any good at it on his own  
luckily for him he's got Wizzle to devise sinister plans  
so they can do their best to Destroy Monkey Town.
